There is a difference between **home health care** and **home care**.

- **Home health care** provides skilled, short-term medical care including a visit from a nurse, physical therapy, occupational therapy, etc. which has been ordered by a doctor to treat a medical condition. These services are covered by Medicare.
- **Home care** offers long-term, non-medical assistance with daily tasks such as bathing, cleaning, and companionship. These services are not covered by Medicare.

View the Centers for Medicare and Medicaid Services official government booklet on [Medicare and Home Health Care](#) for information on eligibility, the services covered, how to find and compare home health agencies, and your Medicare rights.

Go online to [Medicare.gov](https://www.medicare.gov) to find and compare home health agencies.

STAR+PLUS Medicaid

STAR+PLUS is a Texas Medicaid-managed care program for adults who have disabilities or are age 65 or older. Adults in STAR+PLUS get Medicaid healthcare and long-term services and support through a health plan that they choose.

Long-term services and supports provided through the STAR+PLUS program include things like help in your home with basic daily activities, transportation to medical appointments, and no cost for medical services.

To get services through STAR+PLUS, you must first be enrolled in Medicaid. To enroll in Medicaid, visit [YourTexasBenefits.com](https://www.YourTexasBenefits.com) or call 2-1-1.

Note: Information is subject to change.
Please contact the organizations directly for all questions or any additional information regarding services.
The Mary E. Bivins Foundation does not coordinate services, offer referrals, or provide any direct guidance.
