## Accessible Ramps

The **Texas Ramp Project** is a nonprofit organization that provides wheelchair ramps to low-income older adults and people with disabilities identified by local healthcare providers. Ramps are built by local volunteers.

**The Texas Ramp Project accepts referrals only from qualified organizations and healthcare professionals.** If you or a family member are in need of a wheelchair ramp, please do not apply directly. Instead, reach out to your healthcare provider, social worker, or a community organization to submit a referral on your behalf.
