Hadley Vision Resources

Founded in 1920 by William Hadley, an educator who lost his eyesight later in life, Hadley offers practical help, connection and support free of charge to anyone with a visual impairment, their families and professionals supporting them. With Hadley, you can discover new ways to do things that have become more difficult due to vision loss and connect with a network of peers who "get it." And you don't need to come to Hadley. Hadley's help comes to you; online, on the phone or through the mail.

Hadley provides both practical and social/emotional help to older adults adjusting to vision loss, empowering them to adapt and thrive.
