Accessible Ramps

The **Texas Ramp Project** is a nonprofit organization that provides wheelchair ramps to low-income older adults and people with disabilities identified by local healthcare providers. Ramps are built by local volunteers.

The Texas Ramp Project accepts referrals only from qualified organizations and healthcare professionals. If you or a family member are in need of a wheelchair ramp, please do not apply directly. Instead, reach out to your healthcare provider, social worker, or a community organization to submit a referral on your behalf. The Area Agency on Aging of the Panhandle (806-331-2227) and the Panhandle Independent Living Center (806-374-1400) may be able to assist.
