Amarillo Hearing Foundation

Amarillo Hearing Foundation was formed out of Amarillo Hearing Clinic to meet the hearing healthcare needs of seniors living in the Texas Panhandle. AHF serves Panhandle residents who are 65 or older, living on a reduced or fixed income.

Patients interested in receiving services through AHF should contact Amarillo Hearing Clinic to schedule a consultation with our on staff Doctors of Audiology. If recommendations for amplification are made, the patient will review and complete a financial needs assessment through our application process. If approved, AHF will provide funding for treatment and the patient will be fit with amplification.
