Extra Help with Prescription Medication

Extra Help is a federal program administered by the **Social Security Administration (SSA)** designed to help individuals on Medicare who have limited income and resources with their Medicare prescription costs.

Extra Help lowers costs associated with Medicare prescription drug coverage including monthly drug plan premiums, deductible, copayments, and Part D late enrollment penalty.

You must complete an application for Extra Help with the Social Security Administration either over the phone, online, or submit by mail. Find the application at the link to the SSA website below.
