Medicare Savings Programs

A Medicaid program administered by **Texas Health and Human Services (HHS)**, **Medicare Savings Programs (MSP)** are designed to help individuals on Medicare who have limited income and resources with their Medicare costs.

There are three programs including:

- **Qualified Medicare Beneficiary**
 - QMB pays for Medicare Part A and Part B premiums, deductibles, coinsurance, and copayments.
- **Specified Low-Income Medicare Beneficiary (SLMB)**
 - SLMB pays for Medicare Part B premiums only.
- **Qualifying Individual (QI) Program**
 - QI pays for Medicare Part B premiums only.

If approved for any of the three Medicare Savings Programs, you will automatically be enrolled in Extra Help, a program of the Social Security Administration which significantly reduces or eliminates the cost of prescription medications.

To apply for a Medicare savings program, you can go online to YourTexasBenefits.com or call 2-1-1 or 877-541-7905. You can also request a paper application to be mailed to you which you can return via mail or fax.
